AquaSafe Swimming School

1551 SW 191 Terrace Pembroke Pines, Florida 33029 / Ph: 954-673-2339

Truth be told, most of our children won't swim in the Olympics or play at Wimbledon, but they can learn skills and activities that they can enjoy for life. In a nutshell, that is the focus of our children's program. Our instructors offer a fun, exciting and safe program so that your child can learn (or improve) in some great recreational activities.

Our instructors conduct lessons in a mature, positive, structured manner with a commitment to water safety. Learning to swim is a process that develops confidence and skills each step of the way. We love teaching and working with children. Every day brings new challenges and new success stories. We will work with your child to build confidence, skill, self esteem, and smiles.

At AquaSafe Swim School we believe that each student is uniquely different. That no two children are alike and each child learns at a different pace. However, all children can learn to swim with an inviting teaching environment, patient teachers, praise, persistence, and practice.

Payment: Classes are prepaid. Cash or check accepted. For a package, the complete package must be prepaid to get the discount. For class by class payment, one class must always be prepaid. Classes are not transferable to next year. Sorry, no refunds or class credits available.

Returned Check Policy:

The fee for a returned check is \$25.00. Expect to pay the total amount of the returned check in addition to the returned check fee of \$25.00 with cash.

Weather Cancellation:

We do swim in the rain, as long as conditions are safe. We will cancel classes for lightning and hard, persistent rain and we will give you a make for any class cancelled by us. Please assume the class is on unless you receive a call from us stating otherwise. If at least 10 minutes after class was started and lightning starts the class will stopped and considered completed.

Tardiness Policy:

If we are late for an appointed class we make-up the time. If a student is late for a lesson, the length of the lesson is shortened by that amount of time. For instance, a 30-minute lesson and the student is 10-minutes late, the lesson will only last 20-minutes. There will be no discount for this remission.

Cancellation Policy:

Occasionally we have all had to cancel or reschedule an appointment. In such an event, please be sure to notify the instructor at least 24 hours in advance. We allow (2) TWO make-up or courtesy classes per package, for lessons that were cancelled with at least 24 hours notice, to be rescheduled without additional charges. In the event there are more classes to reschedule there will be an additional \$10.00 charge per class rescheduled. **For any cancellations done with short notice (less than 24 hours), the class will be forfeited/ deducted.** *We will never charge you for any classes cancelled by us.*
